Work Experience

Data Analyst Freelancer / Upwork

May 2023 - Present

As I was exposed to Data Analyst / Business Analyst tasks in my previous job I realized that I wanted to steer my career solely to Data Analytics. I quit and focused all my time on improving my data analysis skills, including Power BI (DAX, ETL process), SQL, Tableau, Python (Pandas, NumPy), using platforms like Coursera, LinkedIn Learning, w3schools, DataCamp, Forage. I also handled a few data visualization tasks (with Power BI) on Upwork and created my [portfolio website](https://bekerboris.github.io/data-analyst-portfolio/).

Administrative Assistant (Data Analyst) / BeMo Academic Consulting Inc. Toronto, Canada

March 2021 - May 2023

I have **worked with almost all departments** and had a wide range of tasks, including **data analytics** tasks such as dashboard creation and modification in **Excel** using **complex formulas, macros, VBA, and Power Query**. Additionally, I helped with data collection, the **ETL process, and A/B testing, Google Analytics**. Other tasks include website administration, digital marketing, and social network administration. Language of work was English.

Freelancer (Data Tasks) / Upwork

March 2017 – March 2021

I had data analytics tasks such as web research and data visualization (using **Power BI and Tableau**). During this period, I earned the **Top Rated** badge recognition, which is given to **top 10%** of freelancers. Work the languages were English and German.

Receptionist on a river cruiser / ANQOR LTD Limassol Cyprus

August 2015 - November 2016

I worked as a receptionist on a river cruiser where I worked on cruisers operating on the Danube, Rhine, Moselle rivers and Dutch canals. Working language was German.

Education:

Megatrend University / Bachelor of Business Administration

2008 - 2012, Belgrade, Serbia

Certifications:

Macquarie University on Coursera / [Excel Skills for Data Analytics and Visualization Specialization](#)

Google on Coursera / [Google Data Analytics Specialization Certificate](#)

UC Davis on Coursera / [SQL for Data Science Certificate](#)

Goethe Institut / B1 German language certificate "Zertifikat Deutsch"

Hobbies:

Bicycle riding, Hiking, History, Language learning
